

## INFORMATION TECHNOLOGY: CONNECT TO EDUROAM – APPLE COMPUTER

1. Find System Settings (macOS 13 and later) or preferences on the dock at the bottom and right click on the gear icon (This will present you with all the quick access to settings, like Wi-Fi):

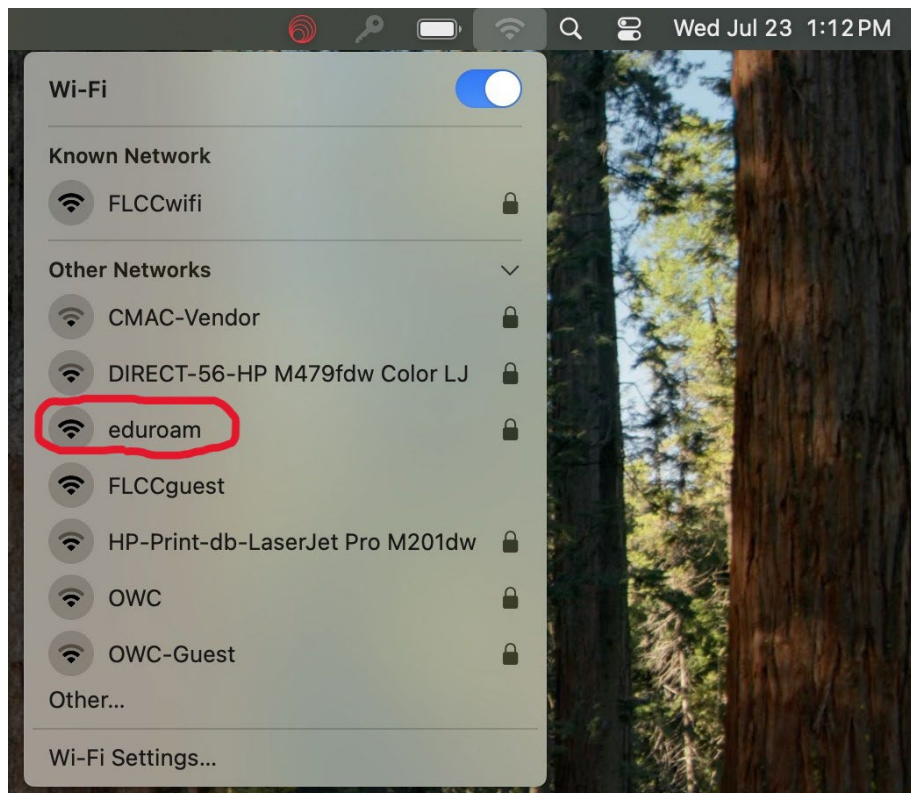

2. Select Wi-Fi from the quick access settings tab.

## INFORMATION TECHNOLOGY: CONNECT TO EDUROAM – APPLE COMPUTER

3. Click on Wi-Fi above. Find the network (SSID) you want to connect to (In this case eduroam).

4. When prompted to login you will use your FLCC email address and password:
  - Student: username@fingerlakes.edu
  - Employee: FirstName.LastName@flcc.edu
5. Verify you are connected to the Wi-Fi and can access internet via your preferred web browser.
